WHEREAS, the Montgomery County Regional Water and Sewer District (the "District") by its Ordinance No. 2011-1 (the "Rate Ordinance") and subsequently amended by Ordinances 2013-01, 2017-01, 2022-02, 2023-01 and 2024-01, adopted a schedule of rates and charges to be collected by the District from the owners of property served by the sewage works of the District and other related matters including how user charges would be calculated; and

WHEREAS, the District's Ordinance 2022-02 amended the Rate Ordinance by eliminating the option for residential users to be charged for actual water consumption for sewer billing (metered billing) and instead requires residential users to be charged a fixed charge rate; and
